

能源政策

建構永續經營友善安全的綠色大學，營造優質無污染的校園環境。

承諾恪遵能源法規、優先採購節能標章產品、提升能源使用效率。

深根能源管理系統，以達成節能、環保、永續校園之目標。

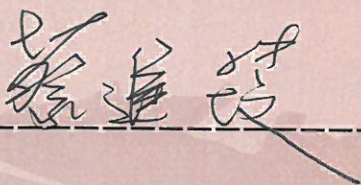

Energy Policy

Establish a friendly and green university with sustainable development and build a premium pollution free campus environment.

Guarantee to abide by energy regulations and prioritize the purchasing of certified products to reduce energy usage rate.

Establish roots for an energy management system to meet the goals of a sustainable campus that consumes low energy and is environmentally friendly.
